College

The Story of A Pearl

A pearl is a precious gemstone whose story begins with an irritant. A small grain of sand finds its way into the heart of an oyster. To protect itself, the oyster begins to cover the sand with a smooth, protective substance. Layer by layer, over time, something beautiful is formed - a pearl.

A pearl is the result of resilience. What begins as a challenge becomes something precious.

This is what we desire for our students. During their time with us, they are shaped through education, character development, and practical skills. Each lesson, challenge, and opportunity adds another layer, preparing them for the storms of life.

They will not be overwhelmed by those storms. They will be strengthened by them.

They are Refined and Ready.

Our Story

A new dawn in education.

Pearl College Winneba where faith meets excellence.

The **Pearl House** was founded in 2013 to provide hope for vulnerable girls in Ghana. By providing physical care, emotional support, spiritual development, and life-changing academic/vocational opportunities, we empower our girls to discover their unique identity and purpose in Christ.

Together, we are **shaping a brighter future** for these girls, their communities, and their nation. Learn more at PearlHouse.org.

After years of working in the field of education and discipling teenagers, the organisation is moving into the field of secondary education with the opening of Pearl College.

Our Motto:

Refined and Ready

We are raising the next generation of female leaders in Ghana.

We do this by:

Providing **great education** so they are ready for the world.

Building **strong values** to guide their hearts and minds.

Helping them grow so they can **find their talents** and **lead** others.

From Our Founders

This school was born out of a deep conviction: that young women in Ghana are full of God-given potential - and when they are nurtured in the right environment, they will rise to transform their families, their communities, and their nation.

At Pearl College, we are building more than just a school. We are shaping lives. Every classroom, every conversation, every chapel service, every mentoring moment is designed to develop the whole person.

Our dream is not only to graduate students with excellent grades, but to raise young women who are emotionally grounded, spiritually alive, intellectually equipped, and boldly prepared for the road ahead.

We believe in the power of **personal development** - because strong character and emotional intelligence lay the foundation for lasting influence. We are committed to **empowering academics** - because curious, disciplined minds become leaders in every field. And we are anchored in **sincere faith** - because a deep, living relationship with Christ brings purpose and peace that the world cannot offer.

The result of this kind of formation is what we call being **Refined and Ready** - ready for university, ready for leadership, ready to serve, and ready to make a difference.

Our name, Pearl College, is intentional. A pearl is formed through a long and often hidden process. It begins with irritation - friction - and over time becomes something rare, strong, and beautiful. We see that same process in our students.

Through challenge and care, through growth and grace, we believe each girl can emerge resilient and radiant - fully prepared to shine in her unique calling.

If you're a parent considering Pearl College for your daughter, know that she will be seen, loved, and challenged to grow here.

If you're a student exploring our school, I hope you'll find a home where your gifts are celebrated, your questions are welcomed, and your dreams are taken seriously.

Thank you for taking the time to learn about our vision. We are still growing - and we would be honored to have you on this journey with us.

With joy and expectation,

Courtney and Steve Bullard
and Courtney Quist-Therson
Founders, Pearl College

WHERE REFINEMENT MEETS PURPOSE

Vision

Our vision is to empower young women to impact their families, their communities and their nation.

Mission

Forming students of character, wisdom and faith to serve God and others.

Pillars

- Empowering Academics
- Personal Development
- Sincere Faith

“He who began a good work in you will carry it on to completion until the day of Christ Jesus.”

Philippians 1:6

Empowering Academics

Our classrooms are designed to awaken **curiosity, creativity, and critical thinking**. At Pearl College, academics are not just about memorizing information; they are about **learning how to learn**. We want our students to become confident, independent thinkers - young women who ask bold questions, wrestle with ideas, and seek understanding with **joy and discipline**. Whether they pursue science, business, arts, or social leadership, we aim to provide the foundation, tools, and encouragement they need to **thrive** - not just in exams, but in life. Our goal is to empower lifelong learners who will bring **excellence and innovation** to every sphere they touch.

Sincere Faith

Faith is at the heart of **everything** we do. We are committed to nurturing a sincere and personal relationship with **Jesus Christ** in every student. Through intentional discipleship, regular times of worship, honest conversation, and community rhythms rooted in Scripture, we encourage girls to **grow in grace and truth**. We want them to know they are deeply **loved by God**, to **trust Him** fully, and to **follow Him** wholeheartedly. Our desire is that Pearl College graduates will walk with wisdom and conviction, living out their faith in a way that **transforms** both their personal lives and the world around them.

Personal Development

At Pearl College, we believe education should shape and fashion the **whole person** - not just the intellect. We long to see future marketplace leaders emerge from our school, filled with the motivation and zeal to **make a difference** in the landscape of Ghana and the world. These days, **emotional awareness and solid character** can make a tremendous impact on the quality of life a person experiences and the relationships she forms. That's why we give focused attention to **emotional intelligence, self-awareness, interpersonal skills, and character formation**. We want our students to be secure, courageous, and kind - women who are prepared to lead with both **competence and compassion**.

Curriculum and Enrichment

Pearl College is using the national curriculum published by GES. Our teaching covers the core and elective subjects required for WASSCE and aligns with current educational reforms. Our students are placed into academic programmes based on interest and aptitude, with personalised guidance from staff.

Our Senior High School offers a three-year program for students in Basic 10 through Basic 12. We currently offer programs in General Science, General Arts, and Home Economics, with plans to expand our offerings in the coming years. Following the Ghana Education Service (GES) curriculum, students complete their studies by sitting for the West African Senior School Certificate Examination (WASSCE).

At Pearl College, learning goes beyond the classroom. Our programs combine strong academics with interactive, hands-on experiences - including experiments, project-based learning, and engaging clubs that spark curiosity and creativity.

We also offer Refined and Ready, a course designed to equip students with essential life skills: study strategies, leadership training and emotional awareness - preparing them for success in school and life.

With dedicated teachers and a supportive community, we ensure every student grows intellectually, socially, and spiritually.

Admissions

Admissions Process

Welcome to the Pearl College Family!

We are excited that you are considering Pearl College - a place where your daughter will be nurtured in faith, character, and academic and vocational excellence. Admission to Pearl College means joining a Christ-centered, all-girls boarding community that is committed to empowering the next generation of Ghanaian women.

Requirements:

- Completion of the BECE
- Entrance Examination

Procedure:

- Procure an application form through pearlcollege.org or by contacting the school.
- Submit the form and all requested documents.
- Entrance examination will be scheduled.
- Acceptance letters will be shared after successful completion of the entrance exam.

We welcome applications from female students who:

- 01** Have completed Basic 9 (JHS 3) and are ready to enter Basic 10 (SHS 1)
- 02** Are seeking a boarding-only environment
- 03** Are open to Christian values and spiritual formation
- 04** Demonstrate a willingness to learn, grow, and serve

Residential

Life

Our boarding facility offers students a secure and peaceful place to live and learn.

Located within a fully walled campus, the newly constructed residence provides comfortable rooms for six to eight students, each with its own washroom.

Under the care of our dedicated housemistresses, students enjoy a clean, supportive environment that truly feels like a home away from home.

Campus Life

Counseling

Listening with Care. Guiding with Wisdom. Growing with Purpose.

At the heart of our counseling program is the belief that every student is valuable, known and full of potential. We have access to a full counseling center and a clinical psychologist who is on site each week and is available for any needed support.

Athletics

Strong in Body. Grounded in Character. United in Purpose.

By the time she graduates, a Pearl College student will have learned to compete with integrity, steward her physical health, and carry the strength she's built into every other area of life.

Arts

Created to Create. Inspired to Express. Empowered to Reflect Beauty and Truth.

Our dream is for every Pearl College student to leave with a cultivated sense of beauty, a courageous voice, and the confidence to express who she is - with truth, with excellence, and with joy.

Academic Life

Teaching Philosophy

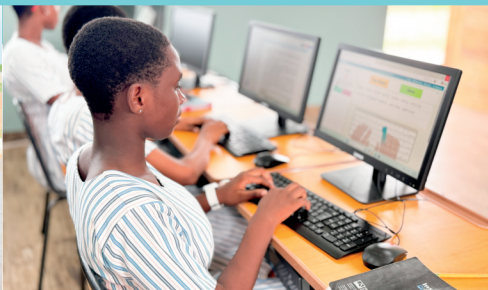

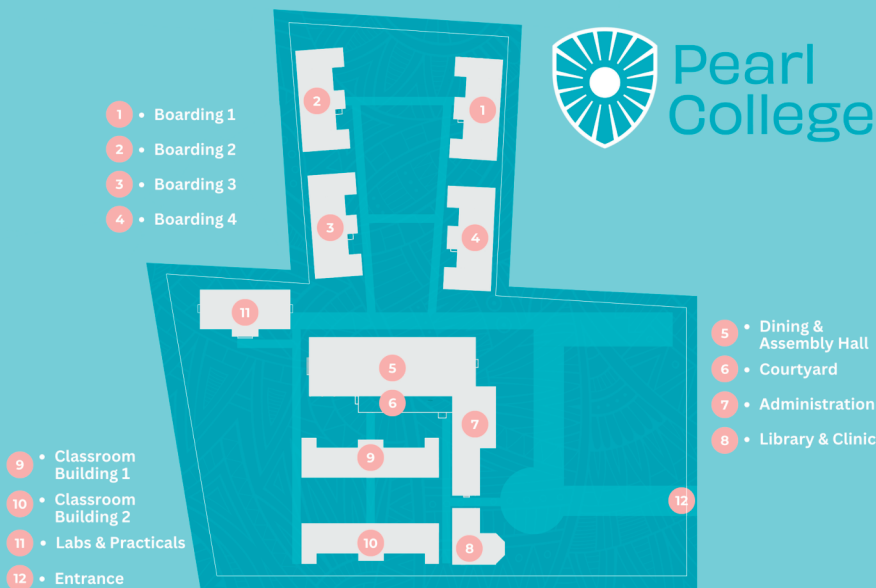

At Pearl College, teaching is more than the transfer of knowledge, it is the shaping of lives. We believe that education should ignite curiosity, build character, and awaken purpose. Our teaching philosophy is rooted in the conviction that every girl is capable, created in the image of God, and filled with potential that must be nurtured with care and intentionality.

We strive to create classrooms that are engaging, respectful, and relational - places where students feel safe to ask questions, take risks, and grow in confidence. Our teachers are not just instructors; they are mentors, guides, and role models who invest in the whole student, academically, emotionally, and spiritually.

A Bright Future

Step into a place where learning, growth, and faith come together. With excellent student-to-teacher ratios, our tight-knit community ensures that every student is seen, supported, and guided. Through intentional discipleship and new, state-of-the-art facilities, we are creating an environment where students thrive academically, spiritually, and socially.

Be part of something from the very beginning - join us as this vision becomes a reality, and help shape a future filled with promise.
